

BIBLIOGRAPHY WOMEN IN THE MILITARY BEFORE 1990

While this bibliography is not an exhaustive list of material published before 1990, it does contain some of the government documents and many of the key academic and popular works from this period. There have been many memoirs written by women who served in the military during this time. These are not included, but may prove useful to those interested in this era. No attempt has been made to edit this list by the quality of the works listed. Some are superb; a couple are not. If you know of a publication you would like to add to the list, please email Lory Manning at lmanning@wrei.org.

GOVERNMENT DOCUMENTS

Department of the Army

Report of the Women in the Army Policy Review Group. November 1982.

Department of the Navy

Report to the Secretary of the Navy on the Progress of Women in the Navy. December 1987.
